

## **The Bark-O-Lounge Dog Daycare Admission Requirements**

The Bark-O-Lounge Dog Daycare provides a safe, fun, and stimulating social environment for dogs four months of age and older during weekday business hours. To ensure the safety and health of your pet and our other guests, and the best possible experience for everyone, we require the following:

**SPAYING/NEUTERING:** All dogs seven months or older must be spayed or neutered.

**VACCINATIONS:** All dogs must have up to date vaccinations. Owners must provide veterinarian proof of distemper, kennel cough, and rabies vaccinations, as well as record of a negative fecal exam.

**HEALTH:** Owners must certify that their dog(s) is in good health and has not been ill with a communicable condition in the last 15 days. Any dogs who have been ill within the last 15 days will require veterinarian certification of restored health prior to admission (or readmission).

**BEHAVIOR:** All dogs must be friendly to canines and humans alike. Owners must certify that their dog(s) have not harmed or shown any aggressive behavior towards people or any other animal. Your pet will be spending time with other dogs and the safety and health of all our dogs is, of course, among our main concerns.

**TEMPERAMENT EVALUATION:** All dogs must be screened prior to admission to ensure that they will be happy in a daycare environment. While some dogs thrive at daycare, others can find it too stimulating, and therefore stressful.

**DAYS AND HOURS:** We are open Monday through Friday from 6:30 a.m. to 6:30 p.m. The Bark-O-Lounge is not an overnight facility, but does offer in-home boarding for registered daycare clients. As much as we prefer not to, we will require that clients pay a fee if they are repeatedly late in picking up their dog(s).

**RESERVATIONS:** Reservations are necessary, and we require that you cancel 24-hours in advance or we'll need to charge a full-day's fee if we are completely booked.
